

# AUSTRALIAN TRAINING AWARDS 2017

On Thursday, 23<sup>rd</sup> November 2017, over 740 people attended the 24th annual Australian Training Awards at the National Convention Centre in Canberra. The Australian Training Awards are the peak national awards for the vocational education and training (VET) sector, recognising individuals, businesses and registered training organisations for their contribution to skilling Australia.

Through showcasing best practice, promoting continuous improvement and for innovation in the design and delivery of training, Darwalla was awarded **“Medium Employer of the Year 2017”**. This award recognises the medium sized enterprise which has achieved excellence in the provision of nationally recognised training to its employees.

The award validates Darwalla’s effort and commitment to lifelong learning. It confirms that our training programmes are best practice and are recognised as such. It also provides Darwalla with the opportunity to utilise this prestigious acknowledgement for our future success. It reinforces to all of our employees that Darwalla firmly believes that they are our most valuable asset and that we are committed to assisting them in reaching their full potential through education.

This is only the beginning. By receiving this award Darwalla became members of the prestigious **“National VET Alumni”**, which provides Darwalla with the opportunity to join a strong network of achievers in VET and share our success stories with the nation.

A big thank you to everyone who contributed to achieving this outstanding result.
